

Corwin Boake, PhD MP

Corwin Boake is a Medical Psychologist and board certified Neuropsychologist who practices in Texas and Louisiana. As a Medical Psychologist he provides integrated treatment, combining psychotherapy and psychopharmacology, in collaboration with the patient's physician.

Dr. Boake is an Associate Professor in the Department of Physical Medicine and

Rehabilitation, University of Texas - Houston Medical School and a Neuropsychologist on staff at Memorial Hermann - The Institute for Rehabilitation and Research in Houston.

During his 25 years in practice, Dr. Boake gleaned experience in various clinical settings including hospitals and outpatient clinics. He serves child, adolescent, adult, and geriatric populations and has published research on treatment and prognosis of stroke and traumatic brain injury.

Dr. Boake earned his Ph.D. in Clinical Psychology from the University of Louisville and completed postdoctoral training at University of Houston and New York University Medical Center. He is certified in clinical neuropsychology by the American Board of Professional Psychology, licensed in Louisiana and in Texas, is a fellow of the American Psychological Association, and has served in the leadership of professional psychology organizations. ■
